

# ***WARNING***

## ***New cases of Covid-19 are increasing nationwide.***

- A new, more infectious strain of Covid-19 is on the rise.
- Visit the prefectural website for cautionary information in multiple languages. (Tottori prefectural website) 
- Whether for work or for pleasure, do not travel outside the areas of Tottori Prefecture, Shimane Prefecture, and Hyogo's Kami and Shin-Onsen-cho.
- Wear your face mask. Wash hands thoroughly. Disinfect with alcohol. Open windows for air circulation. Keep your mask on when speaking with family and friends, even when eating and drinking.
- If you experience fatigue, or even a moderate loss of taste or smell, do not leave your residence. Contact your physician at once.
- Feel free to contact us at TPIEF if unsure what to do, if you do not have a primary care physician, or if you have questions about hospital procedures.
