西村芳将（認証アーキビスト）

# はじめに

- 占領期の鳥取を学ぶ会では、GHQ鳥取軍政部活動報告（Tottori Military Government Activities Report：軍政レポート）の解読作業を行っています。
- 軍政レポート原本は米国国立公文書館（NARA）に保管され、国立国会図書館（NDL）がマイクロフィッシュで複製保存し、憲政資料室で請求し閲覧が可能ですが、入手時期や入手経路が数次にわたるため、NDL内で目的のレポートを検索するにはコツがいるようです。また、NDL以外に軍政レポートを検索可能なサイトもあります。
- また鳥取には米軍以外にBCOF（英連邦軍）の部隊が進駐しており、彼らの動きについては、それぞれのアーカイブズで資料を探する必要があります。
- 今回の報告では、軍政レポートの入手方法に加えて、占領期の帰還朝鮮人の監視業務に係る資料調査の過程で経験した各国の公文書館・図書館・博物館のサイトの検索方法をご紹介します。

※占領期の鳥取を学ぶ会報告会（2022年6月15日実施）のレジユメを一部修正

In this silent film, we can see the immersion of Mahatma Gandhi's ashes near Jabalpur, Madhya Pradesh and a tribute to the Father of the Nation. He worked unceasingly and gave his life so that the women of all creeds and races might dwell together under the security and prosperity in India. In this film, you can see his in lakhs and freedom fighters who are seen giving tributes to Mahatma. C O N F I D E N T I A L .Subject:- MONTHLY SECURITY INTELLIGENCE SUMMARIES5/1st Punjab Regiment.No. 2/CW/ 659 Apr. 1947.

3 2 APR 1947MORALE.

1. The morale of the Bn. as a whole remains high. The fact that the largest draft of men for release are at last sailing this month has helped, but they have accepted the delay quite cheerfully. The improvement in the weather in the last two weeks, making the parade ground and sports fields again possible to use has undoubtedly helped and the general health and keenness of the Bn has improved after two months of heavy snow.

INDIA.

2. The situation in the Punjab has had a disturbing effect on some men, particularly those who live in the area of KAHUTA, RAWALPINDI. Letters are beginning to come through from men's relations but so far there have not been any cases of men asking for compassionate release or to be sent back to India on this account. However the weekly mail from India is eagerly awaited. Taken as a whole the Bn has not been affected directly by the reports and riots as so many men live in small villages and away from the major towns where the more serious fighting appears to have taken place. On the other hand the V.C.Os and men are distressed that the situation should have deteriorated to such an extent in their provinces.

Lack of really reliable information has been a handicap, BCON it is felt does not give sufficient space to what has been happening and what it does print is apt to be more exhilarating than steady. The Stars and Stripes occasional paragraphs are definitely journalistic. The fullest and most reliable reports

Lack of really reliable information has been a handicap, BCON it is felt does not give sufficient space to what has been happening and what it does print is apt to be more exhilarating than steadying. The Stars and Stripes occasional paragraphs are definitely journalistic. The fullest and most reliable reports probably reach us in the air mail editions of the Daily Telegraph and Statesman. However Intelligence Monthly Summaries should be arriving shortly to give a sound basis of information.

### RUMOURS.

3. The chief rumour at the moment is on the subject of the complete withdrawal of the Ind Bde. This is throughout the Bn and causes much speculation. It has appeared in Stars and Stripes and in papers in England, but so far not BCON.
