

This restaurant's stock is gonna...

To think we'd get to work with such amazing ingredients

Straight from Alba, Italy

A top-class truffle!

And it's this big too

おー Oh

I... I've never seen one this huge before

(Sous-Chef = Second-in-Command)

That guy's the sous-chef.

Umm I'm not...

This pretty boy chef knows it when he sees it.

But of course...

You touch it, you buy it

After all, It's a top-class truffle

Thank!

Ah no!

Sneak

If ya
touch
it

Ya

it!!!

The

This is
a fake
truffle
with no
prove-
nance.

In
the
past

Do you
know
why
sows
were
used to
hunt for
truffles?

You know,
right?

Are you a
complete
amateur?

Oww

Nose-

Pheromones...
Sensual...

The
real
thing

Has a
sensual
smell that
resonates
with the
instincts

The same
chemicals that
make up the
truffle's
fragrance are
found in boars'
pheromones.

Of the
females
it
attracts.

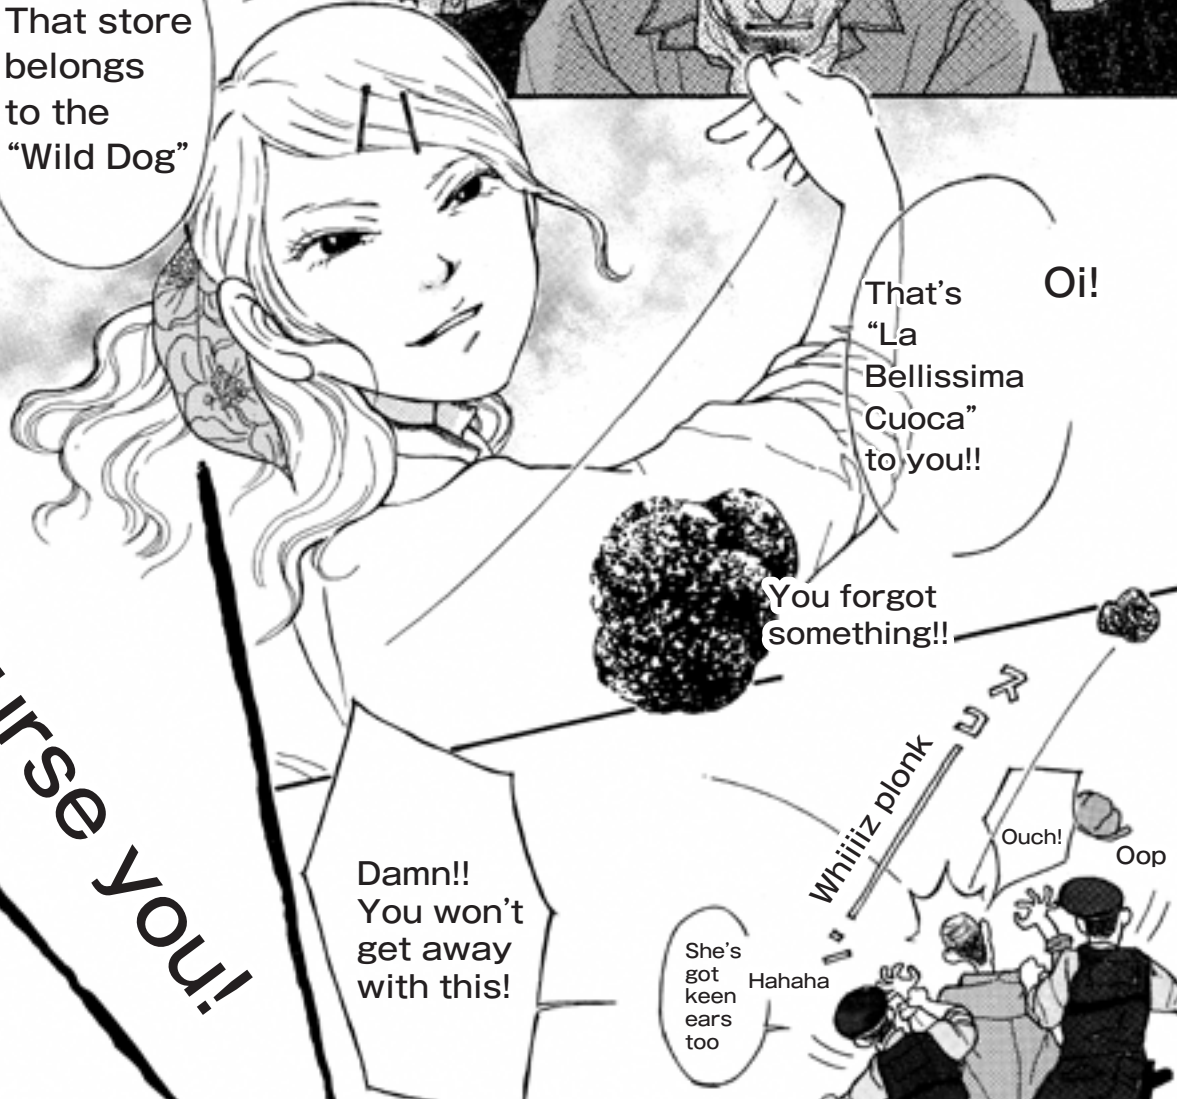

Didn't you know?

The lady chef with the incredibly keen nose.

That store belongs to the "Wild Dog"

Oi!
That's "La Bellissima Cuoca" to you!!

You forgot something!!

Curse you!!

Damn!! You won't get away with this!

Whiiiiiz plonk
She's got keen ears too
Hahaha

Ouch!

Oop

He called him a pretty boy

Don't you get it?

It stinks!

Freshener

Squirt who lets door-to-door salesmen

Where do you even find an idiot

Curse yoooooooooooo!!!

If you're gonna be this gullible

I have a bridge to sell you!

A chef's nose is a cut above!

Into the restaurant anyway?!

That's your problem?

Grrr

Certainly

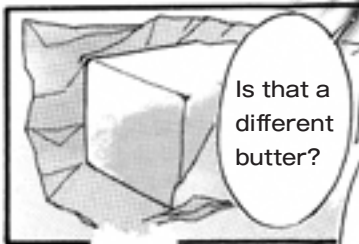

She's got a bad mouth

She's a mean drunk
Short-tempered
Boorish
No sex appeal

But her nose is first-rate,

If short

Sniff Sniff

Is that a different butter?

Give it another half a day to rest

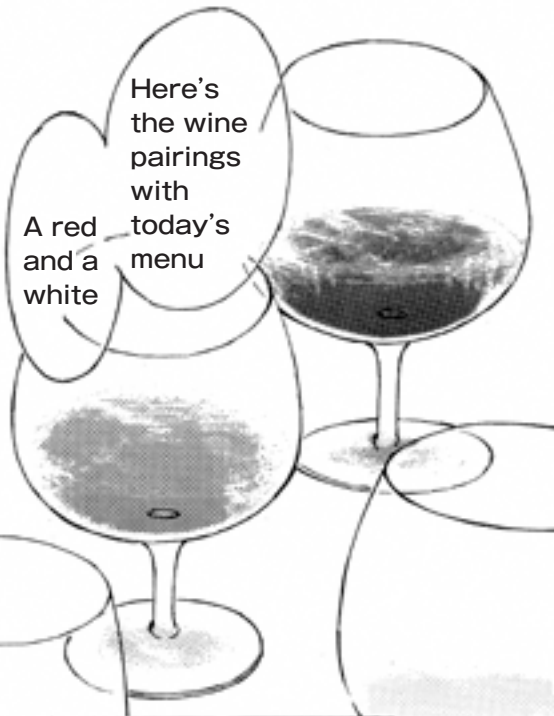

Soaking it in fermented olives should mellow it a bit

Hmmm not quite there

You can tell?

Our usual brand was out of stock

I'm completely intoxicated.

The chef's cooking was delicious as always

We've already made it through the wine

Thank you very much!!

I'm intoxicated on your scent

Apparently he smells better than top-class truffles.

The chef appears from out of nowhere

For some reason, whenever that handsome gentleman turns up

Oh I saw that!

People

Call her

I wonder if we should call him "Sir Truffle"?

Even my old man smell has withered to nothing

That's right

I see

And that's why I was hired

Geddout with those!

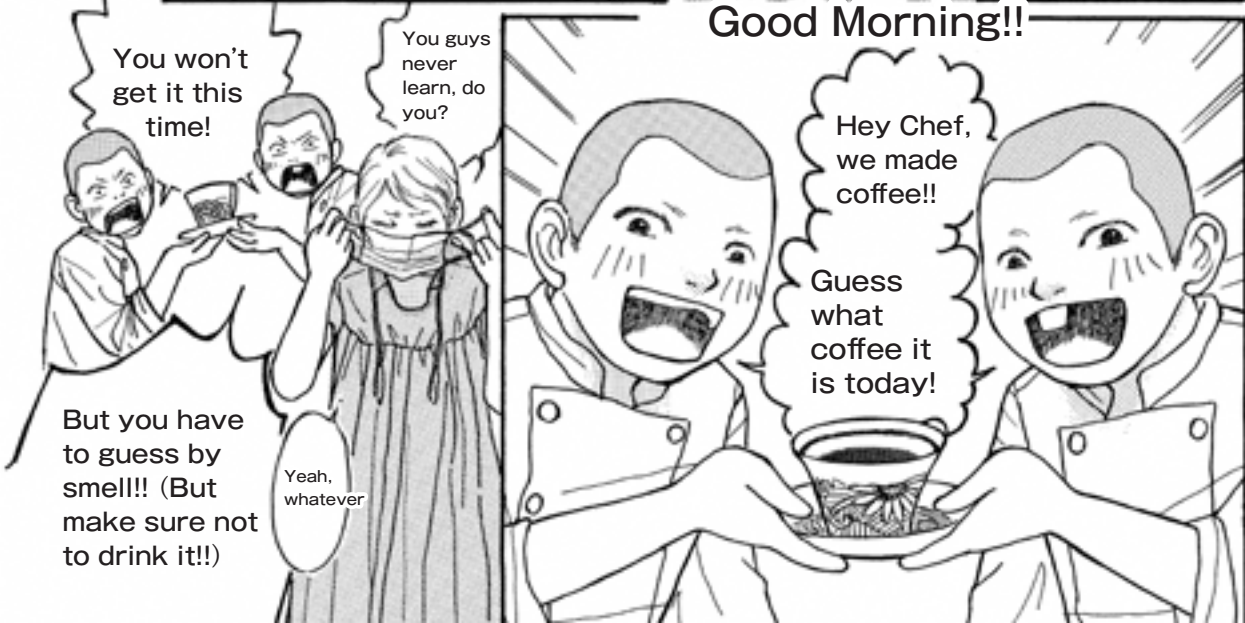

BA

She's always worn one

Apparently there are too many smells between her house and here.

I guess it isn't always easy having such a keen nose.

NG!

Good Morning!!

You won't get it this time!

You guys never learn, do you?

Hey Chef, we made coffee!!

Guess what coffee it is today!

But you have to guess by smell!!! (But make sure not to drink it!!!)

Reservations

We're fully booked today!

Tap tap tap tap

What's happenin'?

I'll look for someone that can see her

For the time being, take her to the hospital

Chef is this right?

Is the heat right?

PRESSURE

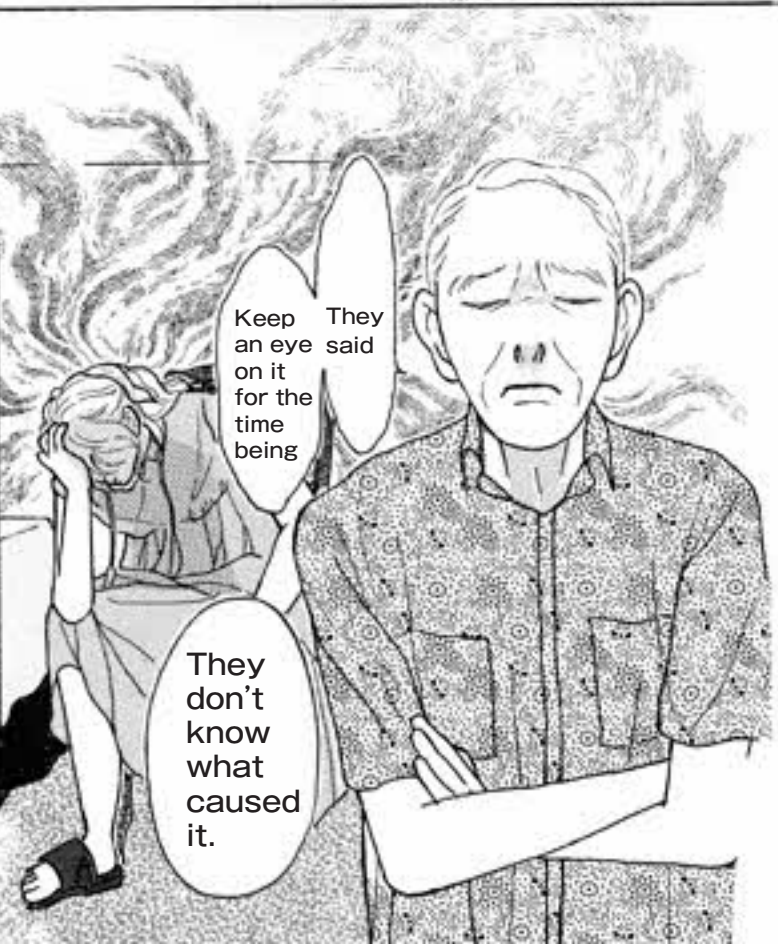

I hope it's right

She's not such a pain in the butt like this

Staaare

Look!!

Keep an eye on it for the time being

They don't know what caused it.

I don't think it can be fixed that easily though...

We can do this with things around the restaurant!!

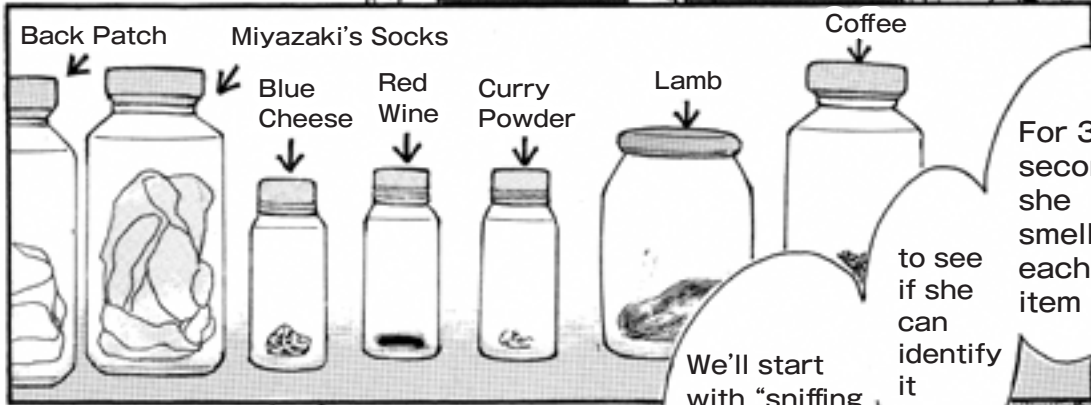

I found something called

"Smell Recovery Training"

What about my back patch?

Let's train our sense of smell

Smell Rec

Back Patch

Miyazaki's Socks

Coffee

Blue Cheese

Red Wine

Curry Powder

Lamb

For 30 seconds, she smells each item

to see if she can identify it

We'll start with "sniffing practice" in the hopes it leads to recovery

Sniff sniff sniff sniff sniff

This one has the socks!

No it's blue cheese

Bleeerrgh

These are Miyazaki's socks, right?

That's the plan

... Nothing...

She changed into her uniform to see if it would help

“That”

How about we try “that”?!

That's 'cause your blindfolded!!

Wha wha

Everything Has gone dark

Hey,

Sorry

You said it was urgent so I couldn't get changed

Gone off the deep end

...she's really

Sir Truffle?

I know!

Hiyas!

He looks different than usual

What the

It's 'cos he's not wearing a suit today!!

This isn't a quiz

I told him to come here during his break.

Mishima Kouha

This way please

Hello

Eh? Why?

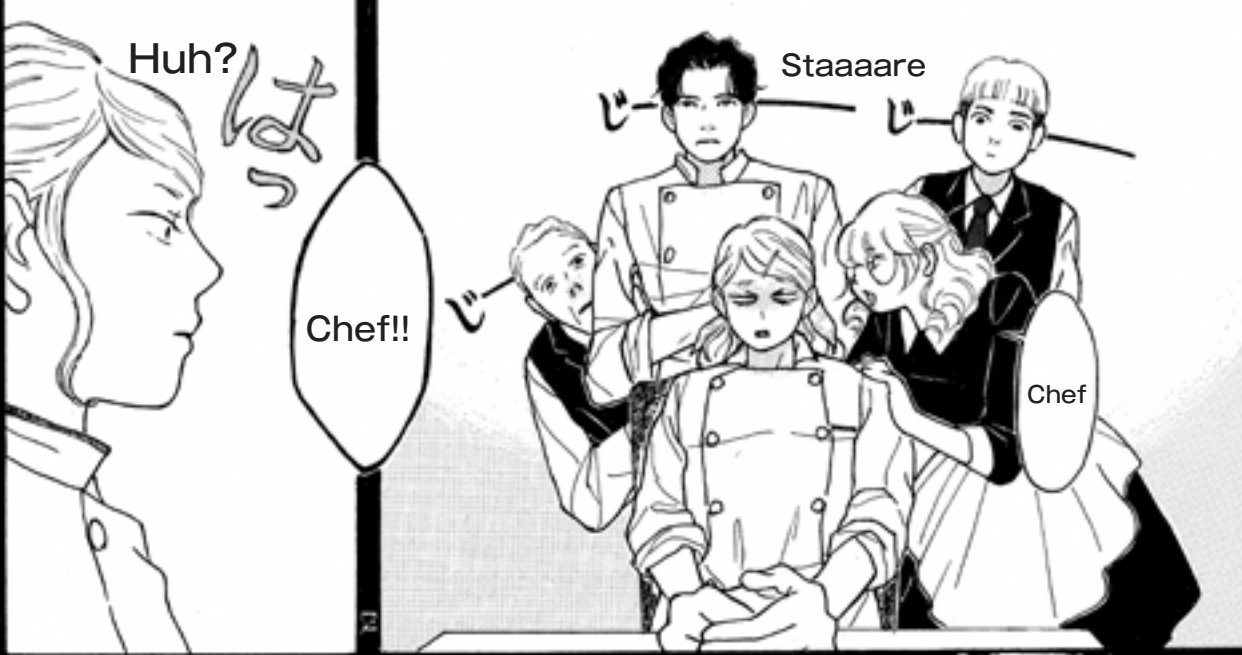

Mishima Kouha

You're a gardener, right?

It's not quite what we expected, so I don't know if it'll work but...

He smells even better than truffles (for Chef, anyway)

If it's this guy maybe...

Huh?

はっ

Chef!!

Staaaare

Chef

And if you smell like nothing...

You had such an intoxicating scent

But now you smell like nothing

NO SMELL

無臭

Then I don't know what

Pant pant

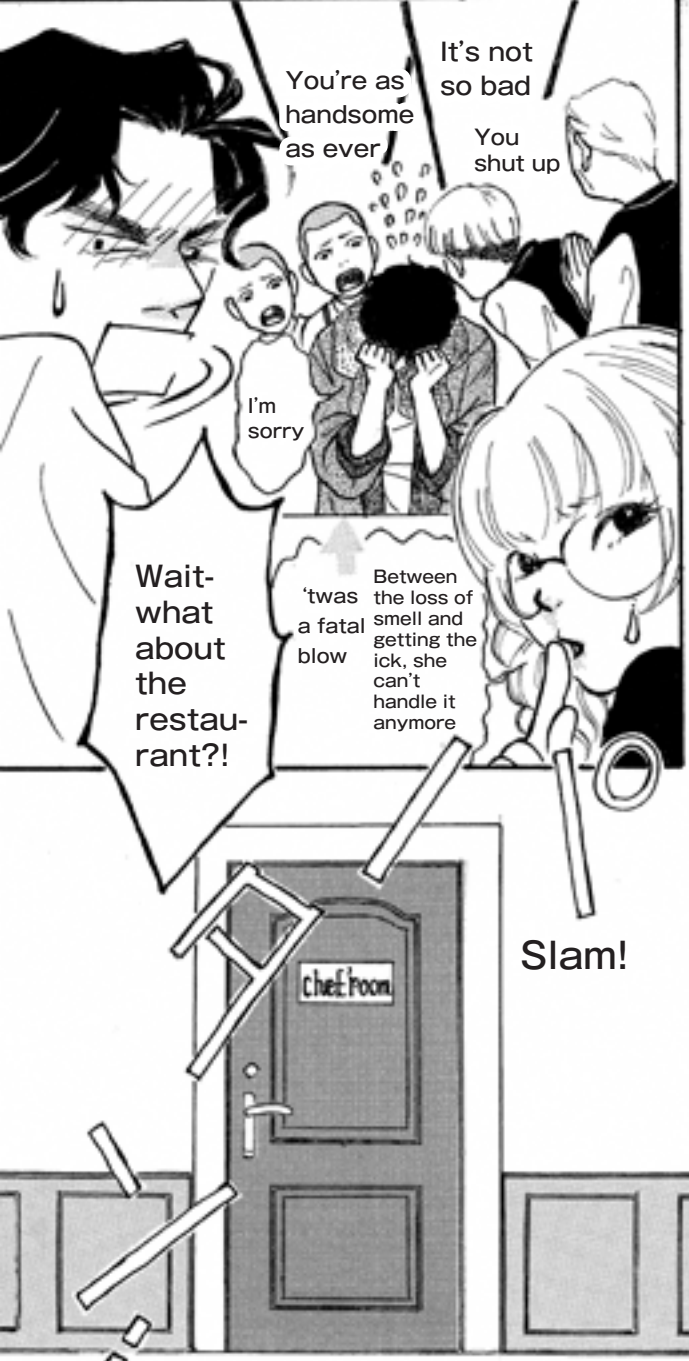

Was so charming about you

In the first place

Chef's view

To be alone
I need

You're as handsome as ever!

It's not so bad

You shut up

I'm sorry

Wait-what about the restaurant?!

'twas a fatal blow
Between the loss of smell and getting the ick, she can't handle it anymore

Slam!

As a chef...
As a human...
It's over.

Flutter

How many days has it been?!

She won't open the door. It's locked. She won't answer and she's not making any noise

In what world does she not want to eat food?!?

Argh! She's sent it back again?!

Thank you for coming

Even though I've been changing up the menu

Are starting to ask why they haven't seen the chef around

Even the customers

Relax, don't jump to conclusions

...Don't tell me!

There's an awful stench

Coming from Chef's room

It reeks

More to the point

THUMP
THUMP

CHEF!!

Silence

In your nose

Pu pu pu pu ...un...

AH!

Ah, those words had power

Snap

Truffle was actually

not

A harmful fungus

I'll curse you!!

That suspicious

Ahhhhh

That's better!!

Well it's what chef asked for...

I can't believe she told me to use this

It's gross

And if anything happens, there's the health center. Or we could close up shop. It's a matter of life and death!!!!

I still don't want to eat it

Hey guys, look!

Stab!

That crim's on the news!

Straight from the scammer's nose!

I'm pretty sure it is poisonous

I grew them myself!

Where's your ambition as a chef?!

This is a waste of ambition

More you like they grew on yourself

Ui, Ui
