

My usual commute

I'm going to be late

ควิซ!
swish

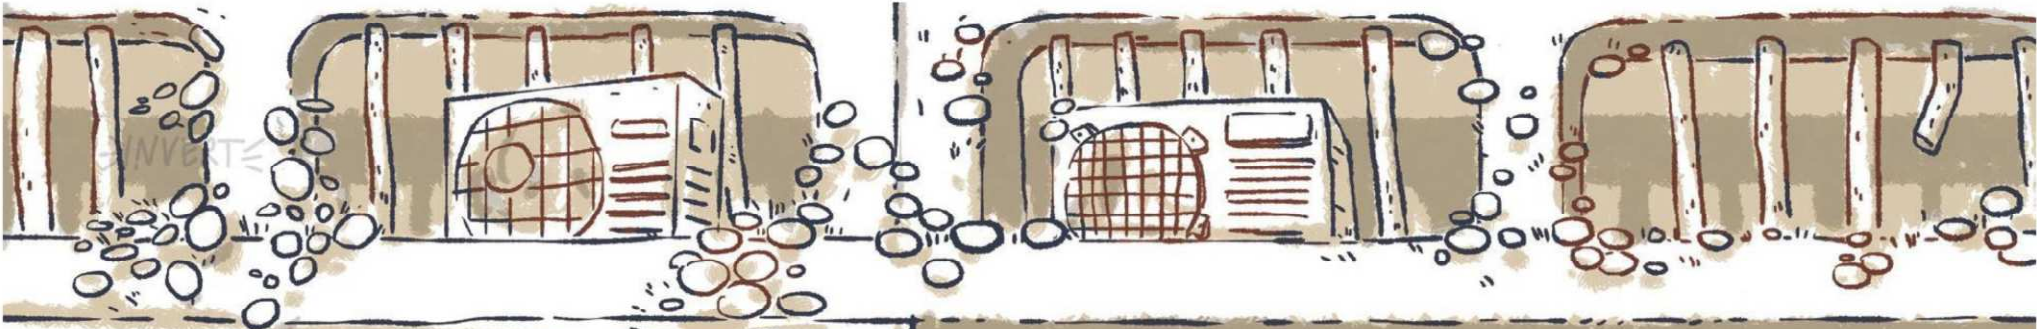

can't

ka-thunk

ka-thunk

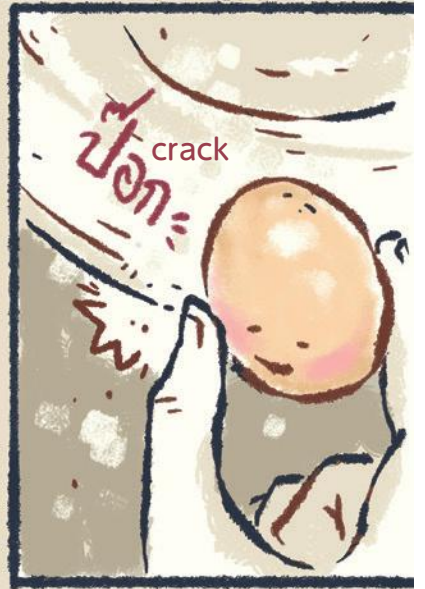

ka-thunk

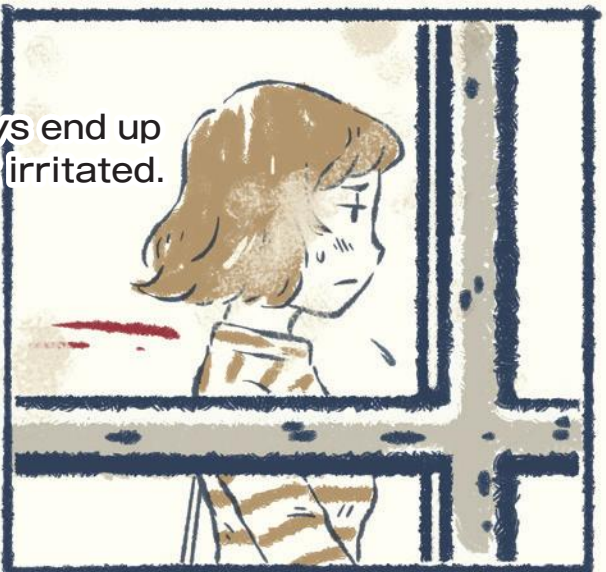

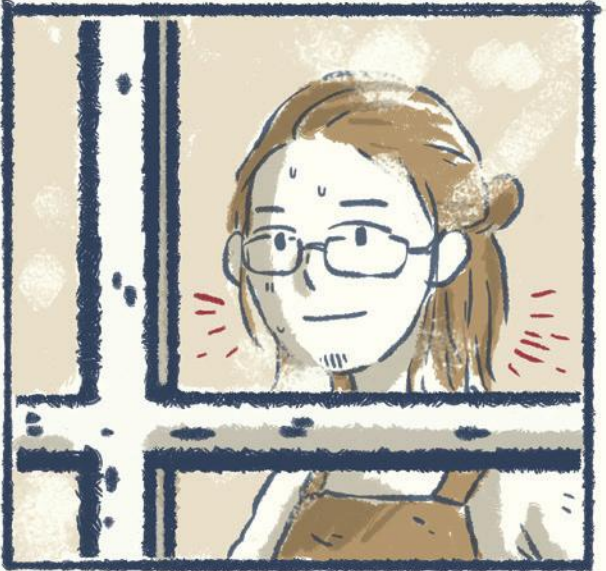

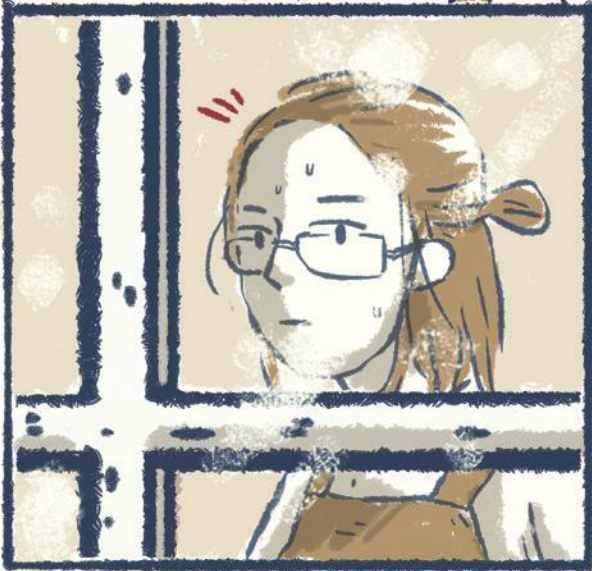

not stop

to look

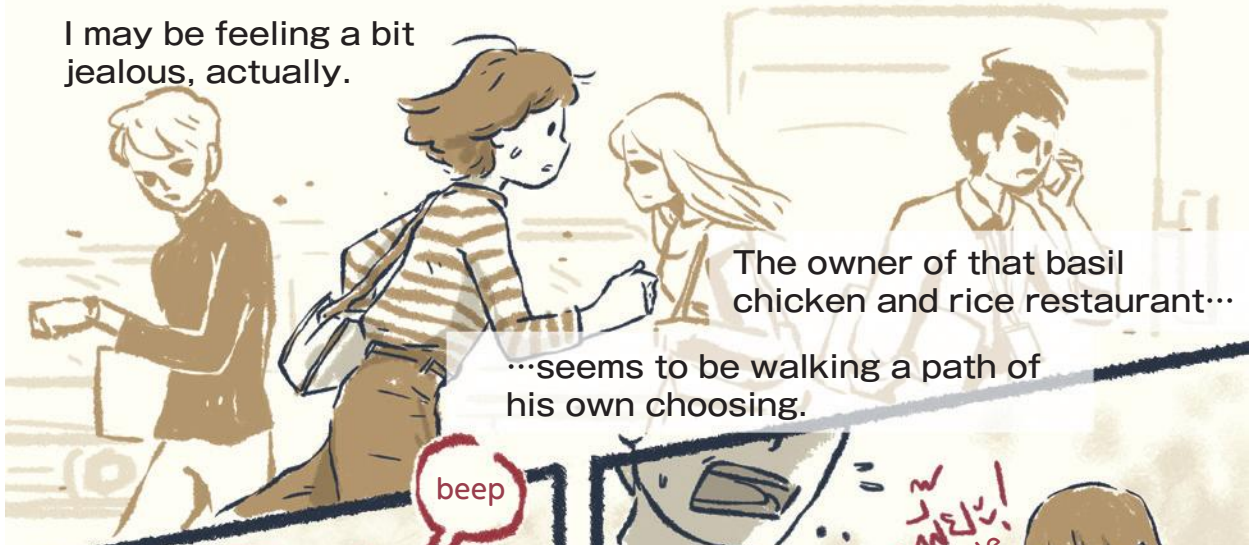

through that window.

...
...always end up getting irritated.

I may be feeling a bit jealous, actually.

The owner of that basil chicken and rice restaurant...

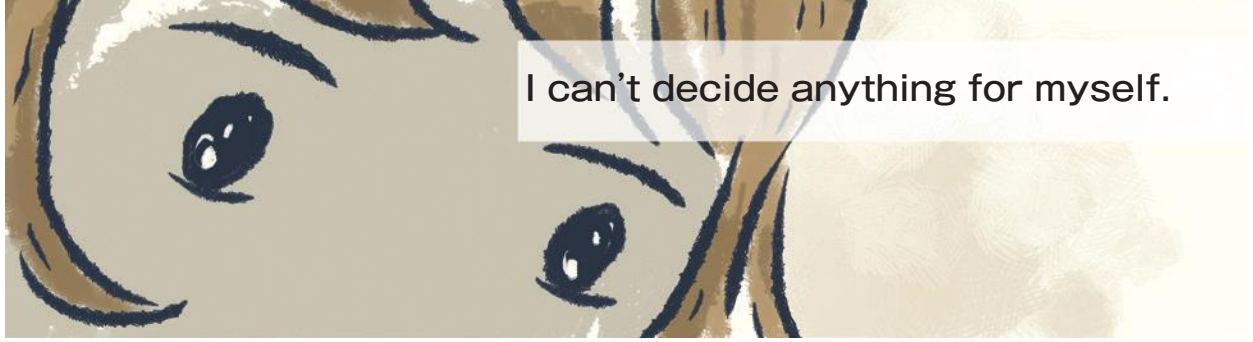

...seems to be walking a path of his own choosing.

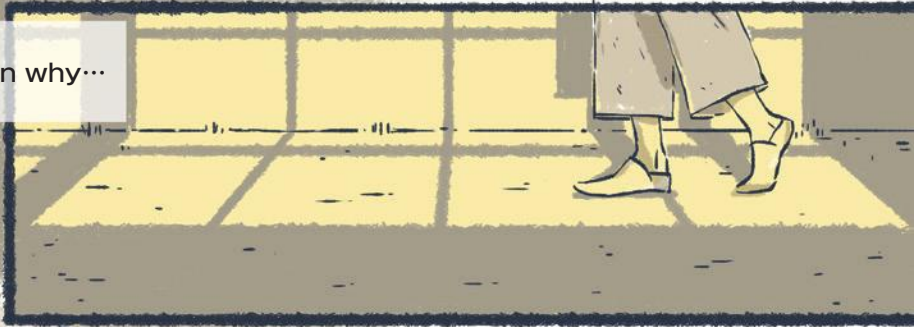

My own life makes me angry.

I can't decide anything for myself.

Maybe that's the reason why...

I stare quietly.

INVERT

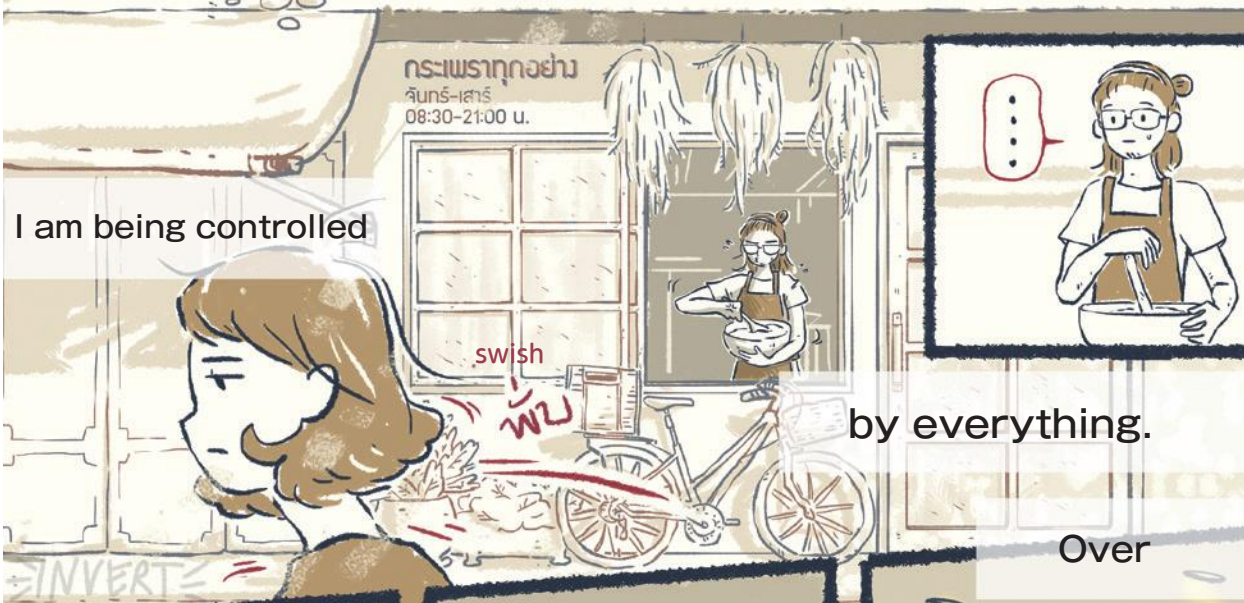

growl

Even so, I secretly get irritated.

ฉวัด!
swish

I am being controlled

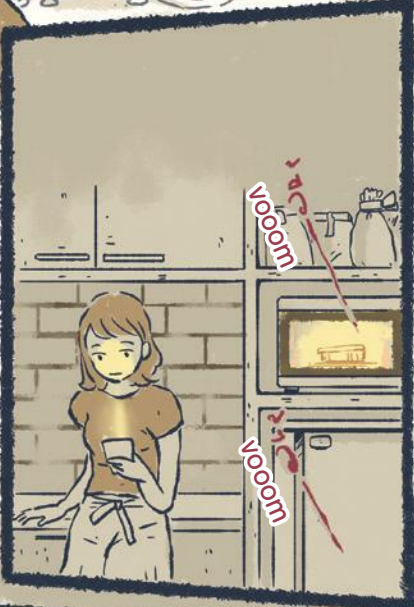

by everything.

Over

Enough to cry.

and over...

I'm tired...

But...

Tonight's

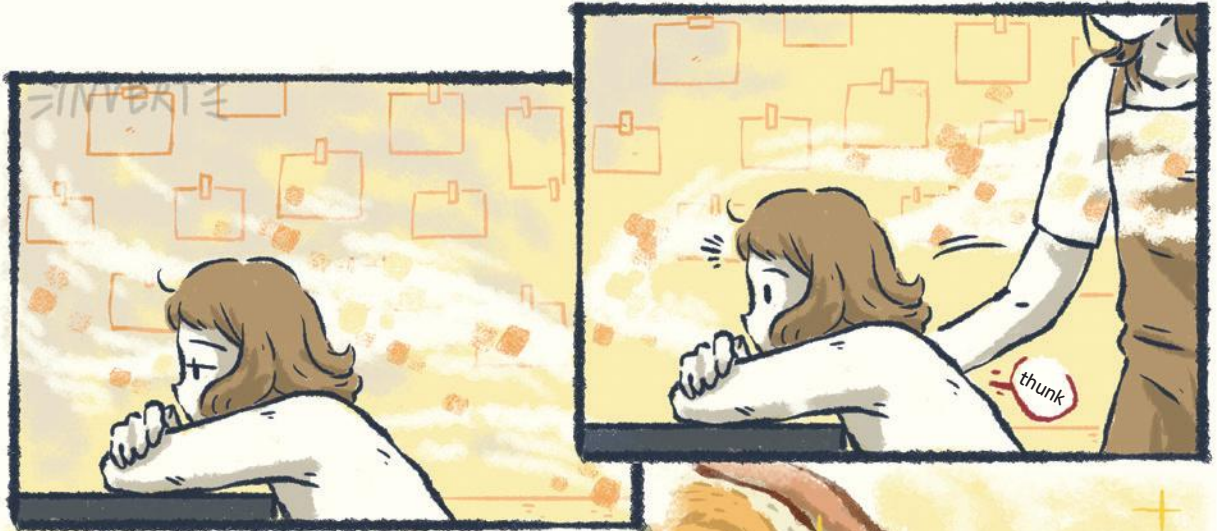

rain

is kinda

heavy.

Uh?

The egg isn't runny at all!

My life is always like this.

I can't even...

vssshh

drip, drop

drip, drop

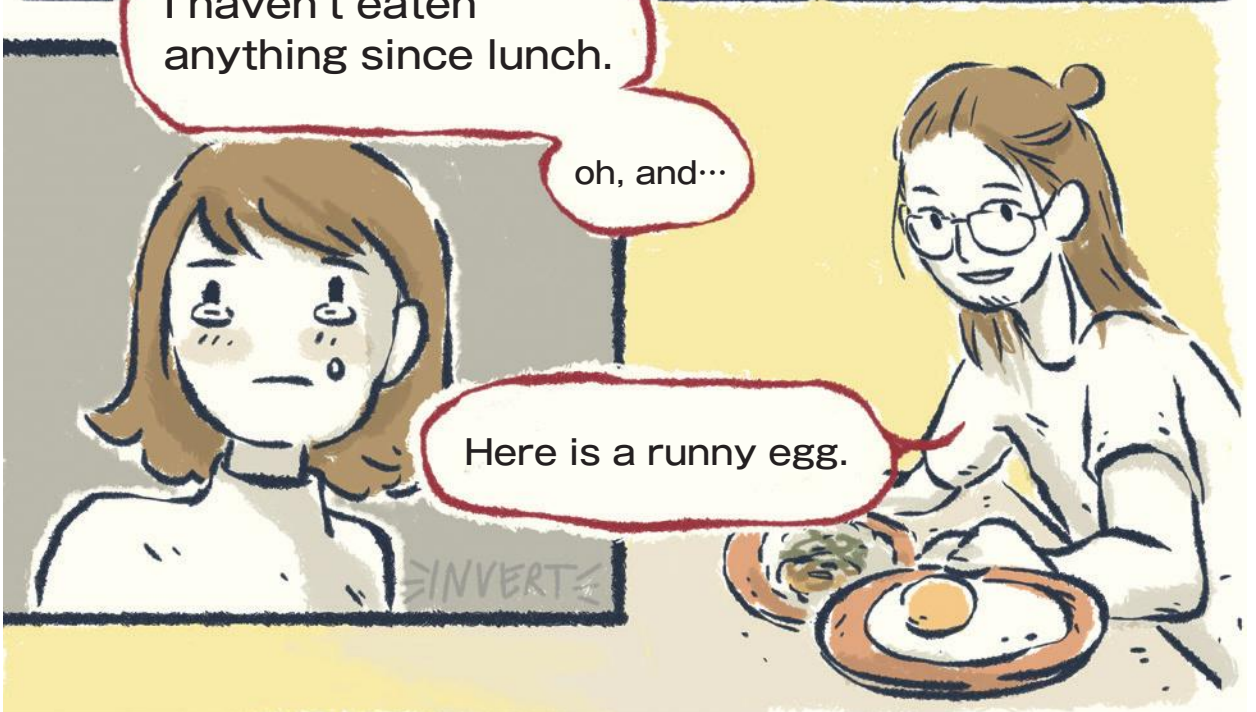

drip, drop

drip, drop

drip, drop

choose how I eat my eggs.

Do you want to switch?

!!??
...??

sob

Don't... Don't cry!

I... I already
ate the egg!

sob

It's ok,
just eat this
one, too.

sob

Why are you crying??

vssshh

Doesn't seem
like the rain
will stop soon.

vssshh

vssshh

By the way, how much do I owe you?

Don't worry about that.

Why?

Because I was crying? That's no good.

My restaurant closes at 9pm.

Ah!

What????

You came in a little before 10pm.

Ah... You're right. It was 9:30pm when I left the office. You were trying to say something when I got in, weren't you?

Yep! But you looked so hungry, I just couldn't refuse.

To top it all, I even complained...

To top it all, you cried.

And because of all that I won't take your money. And I'll think ill of you for the rest of my life.

And the pots and pans.

"If you won't take my money... Let me at least wash the dishes!"

hehehe

Ok!
Ok!

Why are you laughing?!

AHAHAHA
HAHAHAHA

I'll do it for real!

AHAHAHA
HAHAHAHA

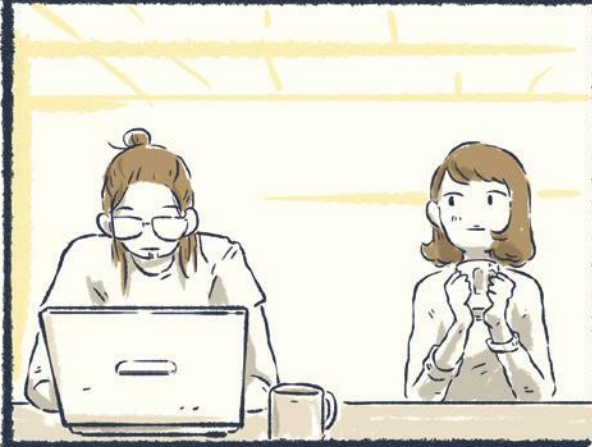

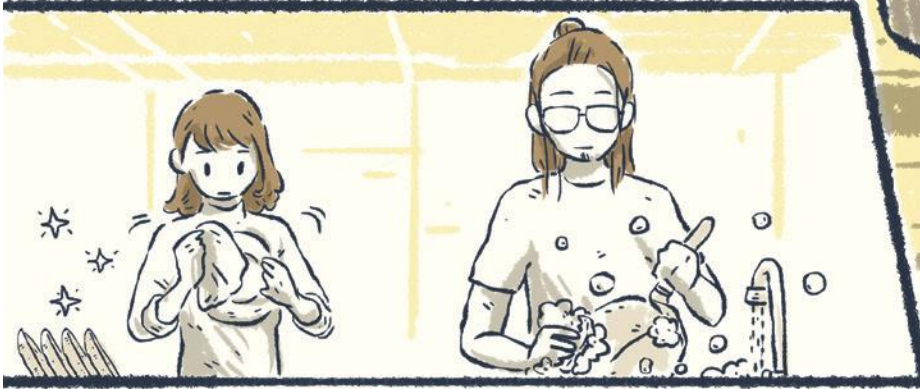

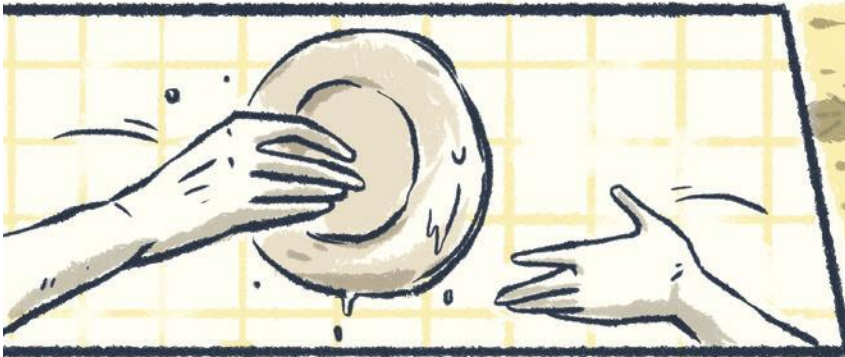

AHAHAHA
HAHAHAHA

Can you please stop laughing?

What are you doing?

slam

What?
You pity me?

No! Not at all. But...
You won't sell your restaurant, right?

Don't jinx me!
I just opened a few months ago!

Maybe I should pay after all...

Let's change the topic, ok?

I won't show you.
The numbers don't look so good.

INVERT

At that moment,

the light of the moon
was so warm...

I felt that maybe

it would light the path
I choose a little bit.
