

I'm home.

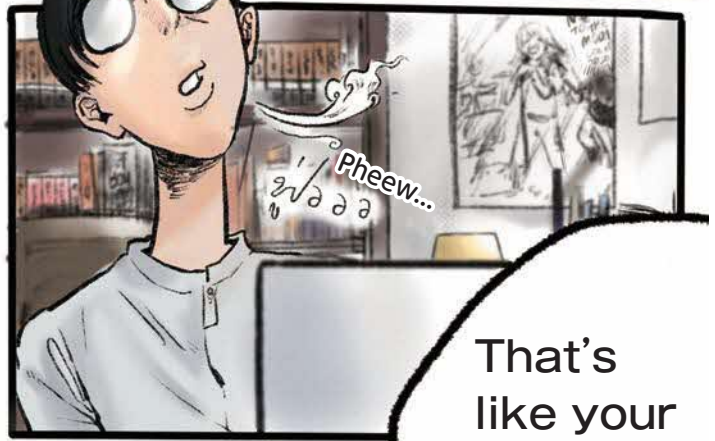

I thought you said you weren't coming home this weekend?

It got canceled.

Is that you, big brother?

Typical Dad, he's always asleep.

What are you talking about? It is fun.

Yeah, but with that face I can tell something is up.

It's nothing.

You should tell me!

Tell me!

Tell me!

...

Tell me!

OK, OK.

Mai Do you know what a "concert" is?

Of course. Dad watches them every day.

Really, every day? Haha.

I've watched one before too.

You have? What kind of concert?  
Haha.

I was planning to go to a big concert with my friends, but it got canceled 'cos of coronavirus.

That's it?

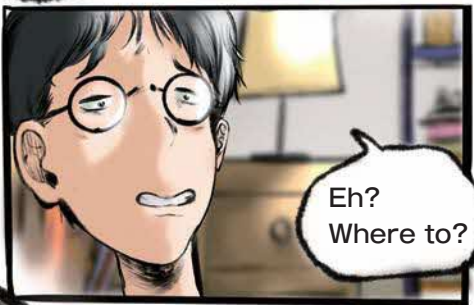

Oh...

Hey! Big brother.

The rain stopped.

Brother. I'll take you there now!

Eh? Where to?

To the concert!

Let's go!  
It's just  
over  
there!

You'll really  
be moved by  
it I think.

What!?

What  
kind of  
concert??

Umm...

I don't know  
what it's called  
but let's go!

No, I can't.  
I've got work  
to do.

You're not  
gonna take  
a break on  
your day  
off?

Let's  
go!

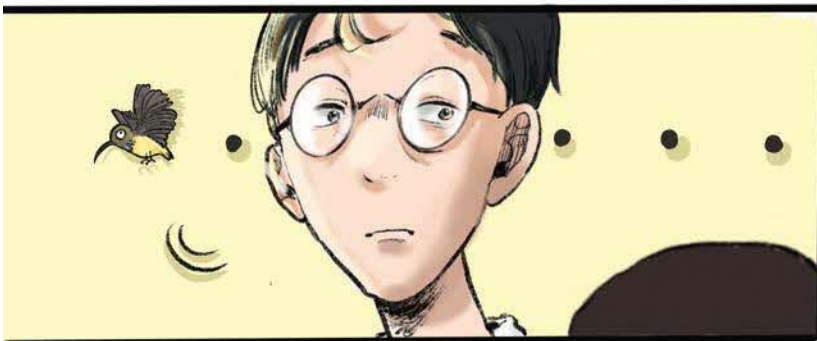

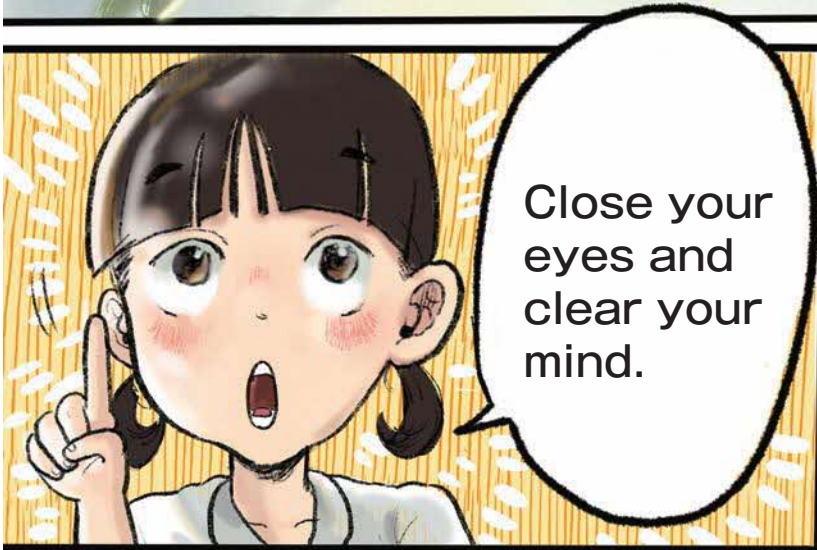

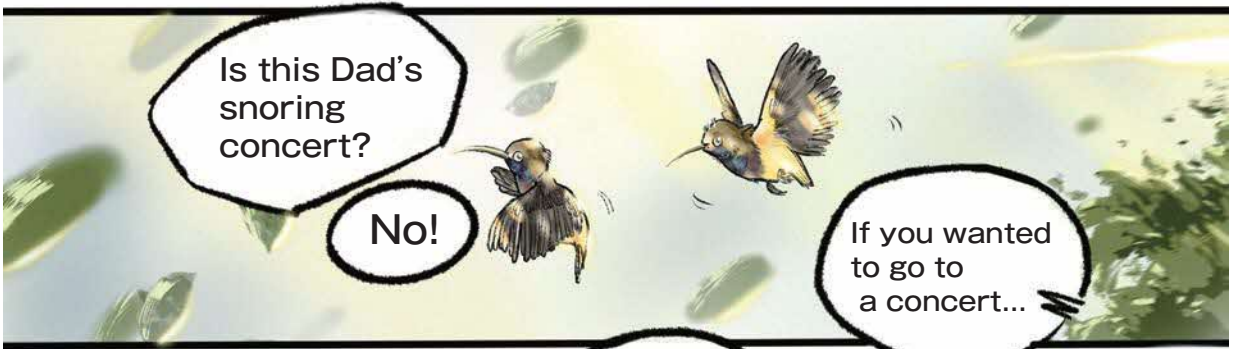

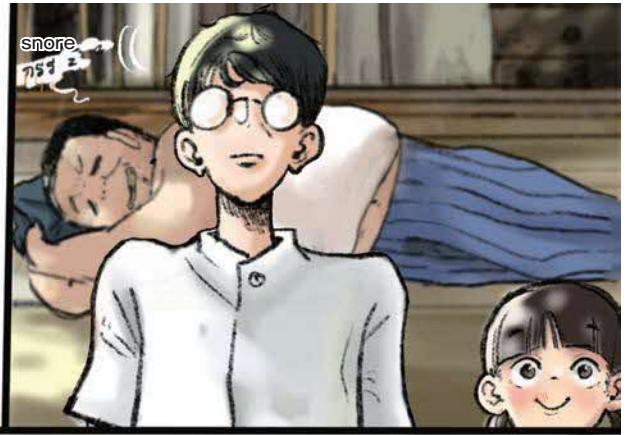

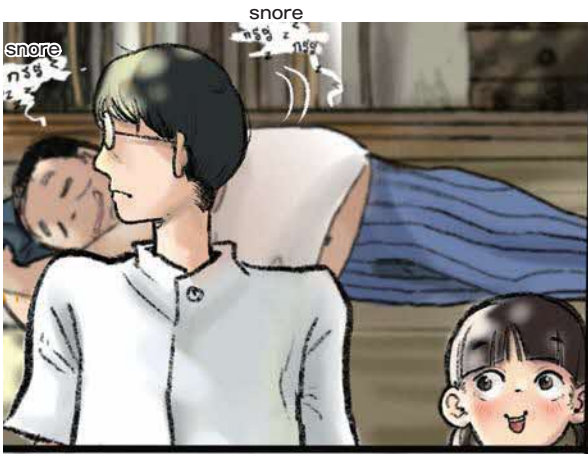

No thanks.  
Just for  
a bit.

Tremble,  
tremble.

Come  
on.  
The music  
is great.

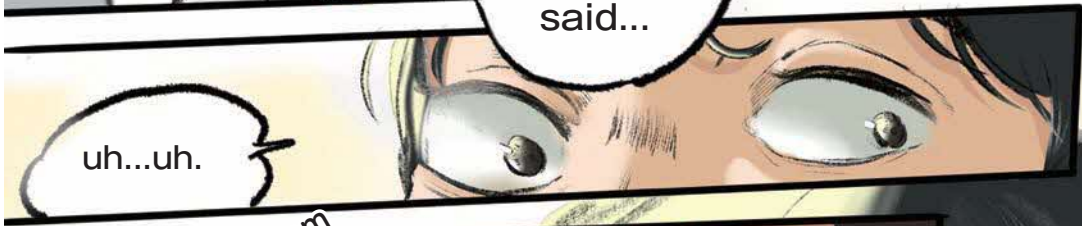

Really, brother...

Close your eyes...

Open your heart...  
Just like Dad said...

uh...uh.

hmm  
hmm  
hmm

Aaahhh...

It's beautiful...

The background is a light yellow color with several green leaves scattered across it. Some leaves are simple shapes, while others have more detail, including veins. There are also some blue, wavy lines that suggest water or a path. The overall style is simple and artistic.

Earth  
has  
music for  
those  
who  
listen.
